What up? My name is Pain. I'm a beaner from Escondido, California. I started writing rhymes and rapping in about 1999 or 2000, but stopped when i got kicked out of high school for my lyrics (They thought i was going to shoot up the school, I was a "high threat", they confiscated my rhymes and the police told me they would lock me up if i ever did anything else). So I stopped rapping, and writing rhymes for about 3 years. But I always wanted to rap so in mid-2005 I told myself "Fuck it, I'm goin to do this I don't care who hates on me" So I started writing lyrics and rapping and making beats again. And I started going to the studio and recording. Then a few months later i met my homie Saggy, found out he rapped. We were cool with each other so we decided to start a label, we named it Get Some Records. We bought equipment and put together a studio in his house (that's where i recorded most of my first CD). Then i let him know i wanted to start my own label (Masakizt Records) and he was cool with it. So I bought my own equipment

and started recording at my place. Now I always record in my place "MASAKIZT STUDIOS". Dj C-Zer designed my CD Covers. If any Producers would like 2 give me some beats let me know, cuz I want some beats!!! or if any rappers wanna be on my next album let me know, aight ! later beanas PEOPLE KEEP ASKING ME QUESTIONS ABOUT MY ALBUM SO LET ME GIVE YOU GUYS A LIL' INFO: "THE WAY I FEEL" (copyright 2005) COVER DESIGNED BY: DJ C-Zer FACE OF CD DESIGNED BY: DJ C-Zer PAIN's LYRICS WRITTEN BY: PAIN TRACKS: 1) Back 2 Rap (feat.
