[DOWNLOAD HERE](#)

Ten all new REAL Christmas songs that are simply beautiful. Paul is one of the most gifted singer/songwriters of our time, bringing the true joy of Christmas to YOU this season. 10 MP3 Songs

EASY LISTENING: Crooners/Vocals, FOLK: Gentle Details: - If you listen to only one Christmas CD this season, this is your CD. - If you love Christmas, this is your CD. - If you love gentle vocals, ala David Gates (Bread) or the silky tones of Jim Reeves, this is your CD. - If you love the true meaning of Christmas, this is your CD. - This CD is Christmas music. - Featuring the single, "Snowflakes". - Mastered by Bob Katz at Digital Domain. Artist and songwriter, Paul Van Bommel, has released his first solo CD - and He came down - on Safe Harbour Records. Christmas has always been my favorite time of year says Van Bommel. It was only natural that my first project would be a Christmas album. Paul is a long-time Florida resident and multi-media artist whose work is prized by numerous collectors internationally. His music has appeared in a previous compilation (Safe Harbour - Volume I) and has been enjoyed by thousands. This project introduces his fans to the full range of Paul's vocal and songwriting talents. The Musicians: - vocals Paul Van Bommel - guitar Jordan Lee, "Jimbo" Clark, Tommy Tucker - piano/mandolin/bass Tommy Tucker - sax/squeezebox Joel Tucker - Background vocals Judy Hall, Stefanie Tucker, Jimbo Clark, Paul Van Bommel, Tommy Tucker Recording info: This CD was recorded May August, 2002 at Safe Harbour Studio in North Palm Beach, Florida. The entire project was recorded and engineered by Tommy Tucker on the Yamaha AW2816 at 24bit-48mhz. Mastering was done at Digital Domain in Orlando, Florida by the legendary Bob Katz. His contribution to the final mixes as well as the detailed mastering results in an open, spacious sound for the entire CD.
