Southern soul at its best the group is hot. 12 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Southern Soul Details: In 1982, Moses Brown formed a Southern Style Rhythm Blues Band at Alcorn State University called PROJEKT; its destiny was to become part of Vicksburg, Mississippi rich music inheritance. Eighteen years later PROJEKT is releasing its second full CD, now stronger than ever and exploring new places. PROJEKT Musical journey has included winning the 1992 Battle of the Jams in Jackson, Ms., and opening for blues legends such as Bobby Rush, Sir Charles, Shirley Brown, Little Milton, Ernie Johnson, Lynn White and Bobby Blue Bland, Betty Wright. PROJEKT also toured with Chuck Strong and James Payne on the 2002-2003 world tour and the band has also been a regular at the Riverfest Casino in Vicksburg. The band has also performed at many different casinos including Ameristar, Rainbow and Ballys in New Orleans, LA also the Long Star Casino in Greenville, Mississippi. Now the group is about to launch their own recording career as a self-contained group. PROJEKT has been touring in 2002-2003; we are about to go to the next level. Moses Brown serves as the bass player and bandleader, he also is the CEO of Brice Records. Brown still runs it all out of his automobile detail shop on Second North Street but is making room for a new building. PROJEKT plays a combination of Funk and blues being inspired by groups such as, The Commodores and Kool and The Gang. Its new CD featuring his hit single Lay Me Down and Brand-New Women are still getting radio play everywhere from Japan to North Carolina and being added to play list across the country. DeLisa Bulter, who has been performing songs by such artist as Keisha Brown, Tina Turner, Peggy Scott Adams, and Aretha Franklin. She is now taking her won southern style of performing all over The United States with an explosion. Another vocal with Projekt, Wanda Brown is Blowing the stage up everywhere we go giving the audience what want and much more. Good distribution is the difference between a local hit and a national hit.

Projekt is Now affiliated with Brice Records out of Vicksburg and Mr. Tee Records of New Orleans, LA, which is one of the fastest growing independent record companies to Be named. Also distribution will be done by Gonzales Music. Mrs. Patricia Dates is the co-manager of Projekt Band. We have Moses Brown on Bass and drums, Michael Brown, son of Moses Brown music director and Co Band Leader, Lewis Morris and Calvin Wilson back-up keyboard player, Gerald Miller, Lead guiarist/keyboard, Rayan Cathran and DeLisa Butler are lead vocalist. Mark Doyle is the back up guitarist and the co producer on the promotion and also the Guitarist for Little Richard. I wanna go to the top, I feel like I deserve it, said Michael Brown, the youngest member of the band and college student. He has Been playing with Projekt for several years. I was playing with older guys and I got A lot of experience that younger players cant give me, said Michael. With there Second new aCD, the members of Projekt are going to test just how good they are And what they can do. If you can dream it you can do it.
