

## Mp3 Rodney - Pop: Power Pop

[DOWNLOAD HERE](#)

Guitar-driven power pop with big hooks and hints of 80's and today 8 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Im a artist out of south bay californa, I started my project about 4 years ago. I use to play drums for a band called love/hate, but early ninetys I started writing songs for myself, and doing what I wanted to do. we currently started a nationl radio campaign ,you may go to my website to find out what staions have picked us up, I travel with a full 5 piece band,but my on my cd's I play pretty much everything ,some backing vocals and all the lead guitar work glen Linsky my guitar player plays that and star on back ground vocals.
