Classic, traditional, roots, Americana, folk and alt-country songs 16 MP3 Songs COUNTRY: Traditional Country, FOLK: Folk Pop Details: Country music has always been a huge part of my life. I was born and spent many years in the province of Newfoundland, Canada. I started playing music and singing professionally and joined my first band at age 17. My early influences were Kris Kristofferson, Waylon Jennings, George Jones, Hank Snow, Merle Haggard and Hank Williams Sr. More recent influences have been George Strait, Randy Travis and Alan Jackson, and I enjoy music from the Eagles, Lynyrd Skynyrd, Marshall Tucker Band, Charlie Daniel's Band and The Band. The songs on this album were selected by me over several months. They reflect my interest and passion of life. Among my favorites are a few ballads, country rock, serious, humourous, and Mexican flavored tunes. I have been fortunate to have had hit songs on the European charts and received praise from countries all over the world. These songs reflect my continuing interest in telling stories about the pain and joy of every-day life experiences by folks - wherever they live. I hope some of these songs touch your heart. ...Ronnie Masters
