WORLD: Reggae, ROCK: Modern Rock Details: You found us. We've been hiding but you found us and now you deserve to have the cd. You owe it to yourself, really. You've been good. Very good! Well done. Now in case you weren't looking for us, here is what we are like: We like Bob Marley, James Brown, Tom Petty, Fela Kuti, Femi Kuti, Randy Newman, Celia Cruz, Tony Allen, Malathini and the Mohatella Queens, Famadou, Toumane Diabate, Prince Diabate, Arsenio Rodriguez, Burning Spear, Camaron De La Isla, Nusrat Fatah Ali Khan, Muddy Waters, TV on the Radio, Jimi Hendrix, Ornette Coleman, Phineas Newborn, Jelly Roll Morton, King Pleasure and Lord Buckley. Some of them even like us. We don't sound like any of them but we borrow from all of them. We put this band together to play like drummers do and it turned into something interesting. We've been playing together for 22 years and don't show any sign of wanting to quit doing it any time soon. It's fun to do and I think you will find it's fun to listen to. If you have a good memory you will have seen us in the film "Meet the Fockers. (Under the name HeadBone) If you have a great memory you will have seen us in "Pretty in Pink". It's Rock, Reggae, Funk, Afro-Beat, Latin and songs. Country music from a different country. Go ahead, try it.
