Raucous Americana 5 MP3 Songs FOLK: Folk-Rock, ROCK: Americana Details: These guys play the soundtrack to the party at the end of the world... They are a fine example of San Diego's constant ability to surprise you with new approaches to independent music. - Red Hunter, Whiskey and Apples Magazine (Austin, TX) It's loosely written, backwoods mountain music with all the eccentricities of an old-timey Vaudeville act. When the members of The Silent Comedy get in character for a show, they perform the same way theatre actors might. - David Small, San Diego City Beat (San Diego, CA) Beyond this initial festive feeling, there is something dark and poetic beneath the rhythm and the songs... - Urban Folk Zine (New York, NY) San Diego's top up-and-comers. It's essentially sing-along indie-folk in the vein of Modest Mouse, with a heavier blues and dirty roadhouse vibe. Plus, they dress up like Charlie Chaplin's gangsta posse... - Troy Johnson, San Diego City Beat (San Diego, CA) The Silent Comedy is one of my new favorite bands. I love their live show... It's got rock and old-time religion as well as the ability to take you to a space occupied by only a few bands. - Tim Pyles, FM 94.9/Music Matters Magazine (San Diego, CA) People who are interested in Neutral Milk Hotel The Decemberists Arcade Fire should consider this download.
