

Mp3 The Twins - Twins II La Musica De Mexico

[DOWNLOAD HERE](#)

Fun and unique arrangements of spanish language classics. A true fusion of middle eastern, latin, and jazz influences that will have you on your feet dancing. 10 MP3 Songs LATIN: Tropicalia, LATIN: Latin Jazz Details: The is the first studio recording from The Twins/Los Giacomani/Los Cuates (the band so good they have three names!) and the first release by MexMo Productions of San Carlos, Sonora, Mexico. MexMo is a collaboration of Leslie Sahlen of Gatorlegs Music, Tucson, and 60s hit maker, Chris Montez. We are all very proud of the unique and enchanting versions of well known latin songs. Being a recent ex-pat from north of the border I had not heard these songs prior so they were new to my producer ears. I tried to retain the live sound of the band while adding the studio sweetening. The result is very different arrangements from the familiar. The Twins bring to all their material a fusion of middle eastern, latin, and jazz influences to create truly fresh interpretations of classics. Look for our video of NO NO NO, written by MexMo Production's own Chris Montez on YouTube in November!
