The One, the Only, the Original, the Registered Trio con Brio. Seattle's Violins in the Streets. 9 MP3 Songs CLASSICAL: Classical era, CLASSICAL: Romantic Era Details: Dear Friends, Welcome to the official Trio Con Brio CD Baby page. We have offered nearly a half million downloads to people all over the world and now you can get our CDs here at CD Baby!!! We hope you enjoy listening as much as we have enjoyed arranging and playing this great music. Trio Con Brio is based in Seattle and provides live music for fine weddings, parties, wine bars, church services, and sunny days on the sidewalks of Pike Place Market. This CD was recorded in 1992 and is a collection of favorites from our large and ever expanding repertoire which includes arrangements of classical, baroque, romantic, pop, show tunes, and jazz standards. Matthew Weiss and Jeff Yang are the violinists and Joseph Bichsel is our cellist on this album. Since then, Jeff skipped town and moved to Chicago and now plays in Chamber Blues with Corky Siegel and friends. These days, Tyler Reilly is our main guy along with Joe and Matt. Be sure to check out our other CDs with Tyler that are soon to be released on CD Baby. Matt and Jeff trade off playing the first or second parts, but Matt is always on the right channel and Jeff on the left. We mastered this on an analog reel-to-reel recorder and later transferred it to digital after EQing it and adding some reverb. All the tracks are complete takes without any splices, punch-ins, and that sort of thing so occasionally you may encounter a few imperfections, but the music is definately there for those who have an appreciation for our kind of "Violins in the Streets"! Special thanks to our current members Joseph Bichsel (founding member), Matthew Weiss (since 1991), and Tyler Reilly (since 1998). \* \* \* \* \* Are you interested in hearing the Trio con Brio live at your event in the greater Seattle area? Call Joseph Bichsel at (206) 795-2349 to book a gig. Our local rates are \$450 for the first hour and \$150 for each additional hour.
