Day trading can be perilous or profitable--depending upon your expertise as a trader. In this no-nonsense guide, you'll learn how the market works and how to make it work for you. Day trading and finance expert David Borman shows you step-by-step methods for intelligent and profitable trading. From screening stocks to conducting technical analyses, you'll discover everything active traders need to succeed in this tumultuous world, including: What goes on behind the scenes in the market; How things can go wrong and how to reduce risk; Which kind of technical analyses work--and why; The best research and trading services to turn to for help; The ins and outs of chart patterns, including waves and triangles; and more. With real-life examples that illustrate the ups and downs inherent in this high-risk, high-profit business, The Everything Guide to Day Trading is all you need to trade wisely, quickly, and lucratively, no matter how new you are to the challenging game of day trading.
