

7 Ways To Get Free Traffic

Traffic, traffic, traffic. Web traffic makes the world go round. We all want it. We all need it. So, lets go and get it! I was chatting with some friends and they asked me Nicole, what are some more ways to get free traffic? And it cant be the usual stuff like article marketing or advertising. I grabbed a notebook and started jotting down ideas. I stopped when I quickly reached 26 ways to get web traffic. And, then I narrowed it down to 7 of my favorites to keep this short and easily digestible. Many of these ideas are not revolutionary new secrets, but I also doubt that youre using all of them, either. (Dont feel bad. Most people arent.) All 7 of the ideas Ive listed are effective methods of traffic generation that will also help you to be seen as more of an expert in your field. If youre looking for ways to game the search engines well, several will work for that, too, but thats not what Im looking to teach here. This is long-term traffic generation for people who are in it for the long-haul. If thats you, keep reading. And, be sure to read all the way to the end, as I saved the best for last.
