

Bigger Or Better?: Australia's Population Debate - Ian Lowe

[DOWNLOAD HERE](#)

A comprehensive and detailed analysis of the controversial debate about Australia's population numbers, this book clarifies the subject and addresses the many misconceptions. It provides a historic account of Australia's population growth and a study of official data while examining the components of that growth in detail, including birth rates and immigration as well as the more recent trend of an aging population. In addition, this thorough account also discusses the motives of the interested parties, both those who promote population growth and those who argue against it. Author: Lowe, Ian Publisher: University of Queensland Press Illustration: N Language: ENG Title: Bigger or Better?: Australia's Population Debate Pages: 00208 (Encrypted EPUB) / 00208 (Encrypted PDF) On Sale: 2012-08-01 SKU-13/ISBN: 9780702239090 Category: Social Science : Demography
