

Crisis Of Imprisonment

[DOWNLOAD HERE](#)

This book offers a sweeping reinterpretation of American penal history between the Revolution and World War II. America's prison-based system of punishment has not always enjoyed the widespread political and moral legitimacy it has today. In this groundbreaking reinterpretation of penal history, Rebecca McLennan covers the periods of deep instability, popular protest, and political crisis that characterized early American prisons. She details the debates surrounding prison reform, including the limits of state power, the influence of market forces, the role of unfree labor, and the 'just deserts' of wrongdoers. McLennan also explores the system that existed between the War of 1812 and the Civil War, where private companies relied on prisoners for labor. Finally, she discusses the rehabilitation model that has primarily characterized the penal system in the twentieth century. Unearthing fresh evidence from prison and state archives, McLennan shows how, in each of three distinct periods of crisis, widespread dissent culminated in the dismantling of old systems of imprisonment. EAN/ISBN : 9780511389184 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): McLennan, Rebecca M.
