Be The Next Best-Selling Author Rather Than Just A Best-Writing Author! Find Out Why YOU Are Cheating Yourself Out Of A Better Solution And How You Can Use The Leverage Of Resell Rights In Your Favor And Be The Next Best-Selling Author Rather Than Just A Best-Writing Author! Let Me Show You How You Can Use Resell Rights to Increase Your Upsells, Reputation, Quality Leads, And Residual Income Exponentially! In my manual, I show you how, from scratch, you can create a profitable business around your eBook simply by conveying Resell Rights to it, and be on your way to become the next best-selling author! Here are just some of the subjects covered: The Resell Rights concept and plan for eBook authors. The 4 money making centers. How and what a savvy reseller thinks. How to write your eBook. How to architect your Resell Rights terms and conditions. What to equip your resellers with. How to prevent your eBook from getting devalued. Where to look for resellers in the masses. How to earn back-end income, quality leads and gain more exposure.
