Pop Rock, top 40 10 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: ADRIEN Singer/Songwriter/Performer/Producer. Acoustic guitar, electric guitar, bass guitar, piano and drums. ADRIEN is a guitar-based contemporary artist. His blend of Pop and Alternative Rock creates the fusion to his sound. With deep-rooted rock guitar riffs, creative hooks, and melodic rhythms, ADRIEN sends a message that is appealing to a diverse audience. His passion for music and performing is evident in his songs and on stage. He aspires to stay creative and innovative with his music. He played every instrument and sang every note on every track that you hear on his debut CD UNDISCOVERED. ADRIEN's songs are drawn from life experiences, which allow his fans to relate to and identify with his musical style. During his career, he has worked with amazing producers and great songwriters. He is looking forward to leaving his mark in the music industry. Constantly working on creating cutting edge sounds, ADRIEN is truly a great UNDISCOVERED talent. His first single "I Won't Try" is currently being played around the country on CHR and AR Radio. ADRIEN is currently launching his new single "Culture Pop" on CHR Radio and Hot AC Radio. His debut Enhanced CD UNDISCOVERED (2006 Generica Music Inc.) includes the music video for "Culture Pop" and is on sale across the country and worldwide on the internet. I look for inspiration in new things and new ideas. I like to explore new ways of creating music and I try to get a new expression from each experience. I allow the process to happen naturally.
