on by guitar legends like: ERIC CLAPTON/JIMMY HENDRICKS/ROBERT CRY/CARLOS  
SANTANA/RANDY RHOADS and BOB MARLEY at the age of 12 Alkatraz positive his dad Benigno,a  
lead singer in a salsa band,to enter him in guitar lessons. A few years later the Rap game was growing  
strong and he soon was jamming to ICE-T/PUBLIC ENEMY/NWA/ICE CUBE/ RUN DMC AND THE  
BEASTIE BOYS.Due to the broad seleccion of music he listened to It was clear to see the versatility  
developing in him.After completing his first beat with LEX, FACE 111 created the lyrics and They soon  
ended up in KME Studio in QUEENS to finished his first song. He then got coached on his rhyming  
delivery by SIN. Alkatraz has collaborated with Gemstar/Bigmato/SPKilla(producer for  
NORE)/Freddy/Artie/Lunchtime/Skiller/Wisdom/ Riel/Midas/Faiz and many other Underground talented  
producers in the New York area. He learned how to use cubase,sound forge and fruity loops with  
Wisdom's help.He also taught himself how to use other programs. Alkatraz has worked with so many  
people that he decided he was ready to launch his own album,wich is what he thinks music oughta be.
