The Stick Up is a CD for the Rap and Hip Hop Fan that can still appreciate a true lyricist which with out a doubt ANTHO is, if you are looking for an artist that takes you on a musical ride with various metaphors and story telling than buy this CD 10 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: THE STICK UP is ANTHOS aka RAGS (REAL AS IT GETS!!) debut CD, after putting out several undaground hot tracks ANTHO decided he wanted to start his own record label-MONEY-MAN RECORDS to put a cd together using his own beats although beats arent his main thang he put his mind to doing beats for his first cd to show his fans he had skills to do it all and the determination to do it his way. Also note on ALL THE GIRLS, 9 YARDS and LONG TIME COMIN, you will hear ANTHO'S younger sister ASHCASH-- lacing his hooks like a superstar R&B singer-- Look for music from ASHCASH in the near future. Every beat on THE STICK UP except for All the Girls (ANTHO AND HIS FATHER TONYGROVE DID THIS TRACK) was done by ANTHO; this is outstanding for an 18 year old to come up with such a tight cd concept, lyrics and the beats. But ANTHO is not your average rapper he is a true lyricist and entertainer, having started rapping at the age of 10 ANTHO has perfected his rhyming and writing skills into an art form with a combination of a in your face delivery, getting into a track and riding it, lyrical content that an average rapper needs a ghost writer for (call ANTHO he can help you with that) a true lyricist in every sense of the word, spinning metaphors like a J-Zay, or NAS, painting vivid pictures and storytelling like a Tupac or a Slick Rick. ANTHO, has been on his grind to pursue a career in the music industry since he started rapping at age 10, his first live performance was at his elementary school where he got a standing ovation for a song he wrote called Playin Basketball, he has participated in every talent show he could find and won most of them over the past 10 years, he has done free concerts for voter registration drives, Martin Luther King day festivals and Juneteenth concerts, car shows and wherever he

could find a mike or no mike and 1 fan he would flow, but his most memorable performance was opening for Ludacris at a Texas Southern Homecoming concert for which he received nothing but love from the audience, so you see ANTHO has and continues to pay his dues to make it big in the rap game and have no doubt its just a matter of time!!! This is just the beginning for ANTHO this Houston born rapper is by far one of the best rappers the South has to offer but with one of the most unique styles that only a true rap and hip hop fan can appreciate, so dont sleep on ANTHO check the brother out because he is the next generation of the rap game.
