Details: You may wonder why, I call myself the Fireman. I went to worked for the Hoover Fire Department located in Alabama, December of 1971. And retired In October of 2003. I worked with two men that loved to play guitars. As a child I always wanted to play and sing. As my friends played I rekindled my dream to play. So with that said here I am today doing what I love, playing and singing music. I moved to Gulf Shores, Alabama in 1985 and commuted back and forth to my job in Hoover every third day, two hundred and sixty miles one way until I met my beautiful and loving wife, Catherine and retired from firefighting, to pursue my music fulltime. I have played all over this great Country, and on the Alabama coast with some of the best pickers and singers Ive met. I have played, or sat in with and made so many dear friends such as Dennis Gossman, Brent Burns, Ken Smith, Alan Hartzell, George Toller, The late Shine Powell, Larry and Gail Books, Top Hat and Jackie, Johnny Barbato, Zack Taylor, John Joiner Rick Whaley , Cowboy Johnson, Donnie Mills, Patrick Harbison, and so many others. Hope to see you soon on our wonderful Gulf Coast or somewhere on the road. May God Bless You Richly Thanks Artie Childs The Fireman Ps. Keep on picking Member N.S.A.I. and Ascap
