Related styles: KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Educational Details: Brian Funshine - Rainbow Fun "It's 23 Original and educational songs for kids, that won't drive adults crazy" Brian Funshine presents educational and interactive musical experiences for young children through his music, shows, and CD's. His first CD, Rainbow Fun, is Packed full of unique singable songs, that kids love, and parents enjoy too!! Brian performs and records "Funtastic" original songs for kids about: -School -Using your imagination -Daily life -Friendship -Family -Having fun -Animals -Emotions -The body -Learning -Nature -Dinosaurs -and even aliens! Brian Funshine is an internationally touring singer/songwriter/educator with a Bachelors Degree in Psychology and music. He performs interactive and educational English songs for children. He also performs shows catered to special interest groups: -English as a Second Language(ESL)Learners -Mentally and Physically Handicapped -Hospitals -Libraries -Schools -Summer Camps His shows combine exciting original kid songs, with classic songs that kids already know. Brian incorporates sing-alongs, funny sounds, juggling, cool instruments, movement, props, puppets and lots of laughs to make this an interactive experience to remember! Brian Funshine also conducts workshops, is often a speaker for Early Childhood Conferences, writes music for publishers of English Curriculum, and is available for consultation. After traveling, living, and performing throughout the USA and overseas in Asia and Europe, Brian Funshine has returned with lots of new songs, a dynamic music CD for kids, called "Rainbow Fun", a new love for juggling, and many fantastic experiences. Brian graduated with a Bachelor of Arts Degree in Psychology, and a Minor in Music, from the University of South Florida, Tampa, FL. He grew up in Sarasota, Florida. At age eleven he began playing trumpet, and has spent more than 16 years of his life as a musician, educator, songwriter, artist,

actor, youth counselor, and performer. Music has always been his passion, yet Brian's true knack is for getting kids up, singing, dancing, and becoming part of the show! Using his skills on guitar, upright and electric bass, mandolin, percussion, and vocals, Brian has written a "FUNTASTIC" CD of new kids songs called "Rainbow Fun". "This CD has 23 original, songs for kids, that won't drive adults crazy." In the daytime, Brian is busy performing his interactive and educational music shows, as well as performing for festivals, educational conferences, bookstores, libraries, camps, birthday parties, special events, and school programs. In the evening, Brian performs various styles of music, on the bass and guitar. The Brian Funshine Kids' Show brings children and families the opportunity to see, listen, and interact with Brian Funshine, live! His songs are inspirational, educational, and memorable for children and their families alike. He will soon become one of your family's favorite children's entertainers. Brian's future plans are for performance and promotional touring, around the world and locally. Brian's goal is to literally, travel around the world, and perform for children in each country he visits, at schools, camps, festivals, and hospitals.
