The seamless combination of live instruments and computer generated sounds and samples come together to create a beat filled vibe that is sometimes chill, sometimes danceable, and always a creative expression of musical bliss. 16 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Drum 'n Bass/Jungle Details: Elemental Harmonics, is a four piece ensemble from Atlanta, Georgia with a fresh vision of music. Drawing inspiration from the roots of dub, drum and bass, ragga, house, funk, hip-hop, and jazz they create a dynamic blend of harmonic textures, percolating melodies, and phat danceable beats. Tastefully blending computer generated sounds and live sequencing, with improvisation and song structure, EH gives way to a space where nature and technology find peace. With three multi-instrumentalists, three computers, radio wands, guitar, bass, keys, world percussion, and a drummer utilizing both acoustic and electronic hardware, the band manifests one telepathic vision of massive instrumental creation. Elemental Harmonics is an intensely relevant statement of sound sure to get any crowd moving...and thinking.
