This album is a mix of Rock, Folk Contemporary vocal music styles with two exciting Classical Guitar instrumental pieces bringing the listener into a closer relationship with Jesus Christ. 13 MP3 Songs

GOSPEL: Contemporary Gospel, FOLK: Folk Pop Details: The new CD "River Of Mercy" by Fred Cacciotti (2005 UCMVA Unity Award Recipient for International Artist of the Year) has something unique. Besides the strong vocals and great songwriting on 11 songs Fred has introduced two additional original Classical guitar instrumentals; "Spirit Of Fire" and "Dancing In The Light". Taken alone these two Spanish Latin flavoured pieces could be a part of a whole new CD; which by the way, is already in the works. Each of the vocal pieces are beautifully produced combining Fred's Rock, Folk, and Contemporary influences. It is difficult to pick one piece that captures the mood of the album, except to say that every piece is focused on Christ, fully worshipped, for all He has done and continues to do in our lives. Fred pictured Jesus as the "River Of Mercy" flowing onward eternally; so that it is never too late for anyone to repent and find their eternal home in Him.
