

## Mp3 Geoff Berner - Light Enough To Travel

[DOWNLOAD HERE](#)

Solo accordion singer/songwriter 6 MP3 Songs FOLK: Modern Folk, WORLD: Judaica Details: \*\*\*\* -

Brilliant stuff The Globe and Mail This is the album of the year. --Sam Parton, The Be Good Tanyas His

mighty pen can tug heartstrings, as well as write witty, biting satire Now Magazine A truly gifted

songwriter The Georgia Straight Genius. --Penguin Eggs Magazine Geoff Berner writes peculiar, witty,

sometimes heartbreaking songs with way too much insight into human nature. When he sings them, he

stands alone on stage, playing his accordion, Estella. The music is a unique mix of folk, punk, and

klezmer. The effect can be at times haunting, confrontational, or just absurd. Sometimes all three at the

same time. I play accordion. The Vancouver native says, point blank. I make no apologies for it. Its part of

my heritage as a Jew of Eastern European descent. I choose to present my songs this way. In spite (or

perhaps because) of his unorthodox approach, hes earning a living as a traveling, recording musician.

Following the release of his debut EP, Light Enough to Travel on punk rock label Sudden Death Records,

hes toured Europe 5 times, played at over a dozen Canadian folk and jazz festivals and performed

throughout the U.S. Radio and television appearances have included features on Canadian, Norwegian,

Northern Ireland, Czech, and Slovenian National Radio. Hes shared bills with such luminaries as Corb

Lund, Alberta Slim, D.O.A., Billy Bragg, Chuck Brodsky, Carolyn Mark, the Show Business Giants and the

Be Good Tanyas, who cover Berners song Light Enough to Travel. The list of other artists covering his

songs has reached 20 and climbing.
