Universal Avatar Recordings When an already great music project really pours on the heat, we remember what we loved about music in the first place. NOTES At full stride and swagger, +++GRAND GRAND

GRAND+++ seems to read our minds (and hearts) Revolving through various genres with ease, they fuse a love of hip hop beats into a mastery of 60s recording techniques. Then, early 80s straight bass song writing effortlessly lives along side a vivid new century lyrical sensibility. If theyre not careful, they are going to be huge. RISING SUN AVE.
