

# Mp3 Greg London - Everything I Own

[DOWNLOAD HERE](#)

Adult Contemporary Pop 1 MP3 Songs in this album (3:41) ! Related styles: POP: Pop People who are interested in Billy Joel Bread Bon Jovi should consider this download. Details: "Everything I Own" - this is Greg London's updated Adult Contemporary version of the much-loved classic song originally made famous around the world by BREAD, the soft-rock superstar group in the 70s. Greg's new modern version of this song is already getting major attention and is set to garner significant radio airplay nationally in early 2009. Also look for Greg to work this tune into ICONS, his hit production at Harrah's in Reno. Proceeds from each sale of this song will go to benefit the Children's Miracle Network. Tags: pop
