Born in Memphis, this four piece hard rock outfit delivers ripping guitar thundering rhythms, along with some powerful, melodic vocals. Excellent songwriting. 10 MP3 Songs ROCK: 80's Rock, METAL: 80's Metal Details: Image-'Razor's Edge' Recorded in the spring/summer of 2004. We are recording some older songs in the studio because we felt as though they deserved better than what we had done with them before. Mile After Mile, Phantasm and the Legacy are songs that had been previously recorded but we wanted to make them better than the earlier versions. New songs include; It Doesn't Matter, Cryonics, Runnin' Wild, Seeker Returns and Razor's Edge. Older songs that were never recorded before are Analytical Mind and Outer Limits. This is going to be one 'helluva' CD!
