

Mp3 Individual Kings Kompilation - I2k

[DOWNLOAD HERE](#)

Gangsta hip-hop style from another realm. Tight gangsta compositions with a bangin' lyrical arsenal to back em up; if street music is your taste, a guaranteed must have. 13 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: I2K is the first full length LP from the Denver-based independent record label Individual Kings Productions. This 13 track compilation has taken the hip-hop industry by surprise with it's G-funk music overlapped with Denver Street poetry. Mr. D-A-W-G Joel-C (executive producers) bring to you a different vibe of gangsta music and are proud to introduce 13 individual artists who have come together in this arsenal of lyrical ammunition to blow you away! You in the mood for something packed with bass, defining rhythm and drops, hard hitting, booty bouncing and in your face music? This is definitely the disc you want! To sum it up-----We're coming at you from the "Darkside of Denver!! This is the "After Hours" party you're looking for. This "Dedicated" crew is looking to "Reclaim the Game" in a "Better Tomorrow". The "System Never Listens" so we're bringing "The Darkest Hour" to all "Hataz and Perpatratat" who don't have any "Wishes or Ambitions" cuzz "Payback's a Bitch", so you can "Call it What you Want"!!!!!!!!!!!!!!
