christian - contemporary worship 9 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: "It is the deepest desire of my heart to express worship corporately with other believers that long for that personal touch of Christ through music. I am a worshipper who desires others not to look at me as a performer but to come alongside me and worship the one who deserves all of our attention. I believe that our worship, through musical expression, is unique and personal. God wants an inward motivated worship that does not call attention to self. That is what I desire and I hope that is what everyone will experience through the music God has given me."
