This CD is about what life is like, what life was like, and perhaps what life could be like again, just around the corner. Related styles: COUNTRY: Americana, COUNTRY: Country Blues People who are interested in Johnny Cash Merle Haggard Waylon Jennings should consider this download. Details: Well, here they are again! And so soon too! These two guys have been absolutely on fire lately. It's hard to keep track of what they might come up with next. Now comes a CD with material so fresh, you'd think they each have a song tree in their back yard, always ready for the picking. Well, we all know that songs don't grow on trees, however, these tunes are still, always ready for the picking. (pun intended) So sit back, relax, and try a taste of good of Southeastern U.S. life, with everything included from Lookout Mountain, Alabama, to the emerald green waters of the Florida panhandle's Gulf coast. If you've ever wanted to give "Grits" a try, or to stand in "Sweet Southern Rain", or to experience the rumble of lightning and thunder on a "Stormy Lookout Day", then this CD is for you. But this CD is so much more. This CD is about what life is like, what life was like, and perhaps, what life could be like, just around the corner. A special thanks to all the good folks at CD Baby for bringing this team of Ty Bracken and Johnny McGee to our attention. And as I've said before, "way to go guys"! Keep 'em coming! What's next?
