Orders placed before 12/5/08 will be shipped on 12/5/08. A stunning sophomore collection that's crystal clear both in terms of Clarks vivid lyrics and the pristine sound quality of the recording itself. 11 MP3 Songs in this album (42:08) ! Related styles: FOLK: Modern Folk, FOLK: Folk Pop People who are interested in Natalie Merchant Carole King Jonatha Brooke should consider this download. Details: To listen to Julie Clarks music is to plunge into emotion... sometimes splashing playfully on the surface of light-heartedness, sometimes diving deeply into more complex feelings. Regardless of which emotion is stirred, youll find her unique voice and lyrics to be remarkably expressive. Clarks second full-length CD of all-original material, Change Your Mind, is scheduled for local release in Hampton Roads, Virginia by Great Big Records on Thursday, December 4, 2008. This stunning sophomore recording is crystal clear both in terms of Clarks vivid lyrics and the pristine sonic quality of the recording itself. You can see straight to the bottom of its sparkling pool of widely diverse emotions. From the ebullient hopefulness of the opening track Change Your Mind to the raucous fun of Id Do Em All (if I could), Clarks songwriting addresses a broad range of human experience with surprising honesty and insight. Throughout Change Your Mind, Clark sings of love in its many forms, such as the poignant hope of restoring closeness with a sibling in Growin Up and an intense longing to be desired romantically in Jacket. Despite the different tones and themes, Clark says, all the songs on Change Your Mind share an underlying theme of hope. They all speak to the strength and resiliency of our dreams and desires. Clarks personal story is one of radical transformation. Its hard to imagine now, but for much of her life Clark weighed 200 pounds more than she does today. Few artists have undergone such a profound physical and emotional change. Her lifelong struggle with obesity, and her ultimate success, have forever shaped her music and view of the world. Some songs in this new collection reveal extraordinary vulnerability. If it Werent for That is a

crushing firsthand recollection of the shame of growing up with a weight problem shared in stark, unadorned simplicity. Clarks risk is your reward, though it may come as a bit of a shock to realize youve entered into completely unprotected reaches of her heart. The experience of hearing Clarks songs is both powerful and intense stirring yet soothing. Change Your Mind was recorded with a distinct reverence for the songs themselves. Production assistance from Robert Ulsh and John Toomey focused on supporting the words and meaning of each story with no unnecessary elements. Clark invited renowned musicians such as Stephen Bennett, John Toomey, Bill Gurley, Jimmy Masters and Tom Jones to help illuminate the significance of each song. Clark first committed her songcraft to disc on her debut CD Feel Free (Great Big Records, 2003). Despite the many songwriting awards bestowed on Feel Free, her continued development as a songwriter is evident throughout Change Your Mind, proving that the intervening time was very well spent. The disc is rich in wordplay, such as the darkly ironic humor in her song about the death of Superman: The funeral was today / The Super Friends were all super-busy / and though they couldnt come / The Super Friends were super-bummed. Clark has garnered considerable acclaim as an emerging artist. Her many accolades include winning the Kerrville New Folk Songwriting Competition (adding her name to a list of luminaries that includes Lyle Lovett, Steve Earle, Nanci Griffith and Shawn Colvin); winning 1st Place in the Great American Song Contest; and being named Folk/Acoustic Artist of the Year at the Virginia Music Awards. From her home base in Norfolk, Virginia, Clark maintains a busy national touring schedule of performances at premiere festivals and clubs such as The Barns of Wolftrap in Vienna, Va., The Michigan Womyn's Music Festival and The Art House Theater in Provincetown, Ma.. With the release of this much-anticipated new CD, Clarks true potential appears limitless. One thing is clear Julie Clark is an artist whose time has come!
