About KevOz and his music: KevOz has been creating Innovative Instrumental Music for over 20 years. His original compositions range from ambient, dreamlike soundscapes to upbeat electronic tracks. Think Vangelis with a bit of Mannheim Steamroller, Enigma, Tangerine Dream, and Moby thrown in. If you're feeling a bit down and stressed out, his music will pick you up...if you're already feeling pretty good and just want to chill out and relax, his music can help in that department as well. His original music has been used extensively for yoga, massage, meditation and relaxation, and his new take on traditional holiday favorites continues to inspire listeners year after year. The eleven-song set comprises a nifty holiday variety pack; from cheery new age to old school orchestral, there is something for everyone here." -- Richard Banks for ChristmasReviews.com Digital "Inspired by Moby's instrumental tracks, Tangerine Dream, Art of Noise, and Herbie Hancock's "Rockit," KevOz pulls from a mix of old-school synth sounds to create the

satisfying electronic album Digital." -- Michael Gallant for Keyboard Magazine Christmas Spirit "Every song is an adventure. For those who enjoy Mannheim Steamroller on a hallucinogenic trip, KevOz's Christmas Spirit may be the perfect ride. Cool!" -- Carol Swanson for ChristmasReviews.com Return To Lakefront "Breezy tunes with infectious beats and lots of *sunny day* attitude. The wonderful closing number, 'Sunset', may be the best thing Osborn has recorded up to this date. It's a slowly building dynamic exuberant song with an undeniable joyfulness running through it, as a piano refrain is joined by one synth after another, as well as some nicely muted tom-toms. It's an excellent closing cut." -- Bill Binkelman for New Age Reporter A Sampler "The music of KevOz takes in a number of different Electronic styles, from Dance to New Age to Ambient to Melodic but always with a smoothness that KevOz brings to every track." -- Carl Jenkinson for Sequences Magazine Into Orbit "Truth be told, I couldn't find a dull moment on the three consecutive trips I took, so strap yourself in for a zero-gravity aural journey of the highest order." -- Rod Lott for Cool and Strange Music Magazine Canvas "His original compositions paint lively tapestries of shadows, sunrises, happiness, dreams and much more. This CD is a definite must for your New Age music collection." -- Christina Lord for Creations Magazine Lakefront "Featuring 11 melodic tracks, based largely around some excellent piano work such as the beautiful title track the cascading notes on 'Sailing Hearts'. This sets the basis for some rather beautiful music that benefits from excellent interplay of various sounds that make for some majestic musical tapestries." -- Carl Jenkinson for Sequences Magazine
