Hey. this is rock mixed with fire and funk. With lyrics on the edge of social conscience and passion in the pocket. 10 MP3 Songs ROCK: Hard Rock, POP: with Live-band Production Details: Lipriddle, the key element of music is innovation. This 3-piece K.C. band combines many different styles of music to generate a unique, edgy sound. Within the union of these 3 different musical personalities comes a sound that some say "has never been heard before". The combination of extreme rhythm married to dramatic displays of melody produces a type of combustible energy that is sure to keep you exhausted and confused. It would almost seem that Lipriddle exudes pschycadellic colors of creativity. Each one paints their collective musical canvas with colors that pierce a heart and stop the traffic. Their commitment to each other and to the music they construct makes Lipriddle a very entertaining and captivating upcoming force.
