Excitingly passionate Mexican folk music at its finest. At 17 years old, Monica recorded this compilation of Mariachi classics in addition to original songs composed exclusively for this recording. 10 MP3 Songs

LATIN: Mariachi, LATIN: General Details: "La Flor" is a beautiful masterpiece. Born in 1980 from a long generation of respected musicians, it is no doubt music thrives in her blood. Monica has been captivating audiences with her stunning vocals and charismatic performances from a VERY early age. This album, released in 1998 under Sigala Records, marked a launching point in her vocal career. Each song was arranged by the well-known and sought after Mexican musician, Juan Manuel Cortez. He also composed the lively "Tierra Indiana"(Native Soil), and the gorgeous melody "Alma Enamorada" (Soul in Love) exclusively for this album. He has collaborated and recorded with countless artists such as Linda Ronstadt, Vicente Fernandez, Rocio Durcal, The Sparks, and others. ALL NEW MONICA CEBALLOS ALBUM COMING SOON!! Reviews: "...whose soprano voice wows the audience." Los Angeles Times "La voz de terciopelo." La Opinion - Para Ti "...music may come very naturally to this talented young singer." The Comet
