

Mp3 Nelson Gill - Going Places

[DOWNLOAD HERE](#)

A treasury of original children's music written with infectious Caribbean rhythms such as Calypso, Reggae, Limbo and Merengue. 11 MP3 Songs KIDS/FAMILY: General Children's Music, LATIN: Merengue Details: Nelson Gill, multiple award winning performing artist and educator, was born in Belize, Central America. He lived there and in Guatemala for the first 18 years of his life, where he learned to speak English, Spanish and Creole fluently. His roots in Caribbean music and culture are evident throughout his composition. Nelson Gill holds an A.A. degree in Music, B.A. in Spanish Literature and M.ED. in Early Childhood Education. Going Places is a treasury of children's music written in the tradition of Calypso, Reggae, Soca and Merengue. These infectious rhythms will keep your little ones listening, while the wonderful lyrics - written by an early childhood educator - will teach them wonderful lessons that will help them prepare for elementary school. Best of all - grown-ups love the songs, too! Try Nelson Gill's Going Places for an exciting musical adventure for the whole family. The lyrics of some songs are presented in both Spanish and English.
