Alt-Americana 9 MP3 Songs in this album (34:12) ! Related styles: FOLK: Alternative Folk, COUNTRY: Alt-Country Details: Recorded by an audience member with a hand held recorder at the blue moon stage, 2003, Oregon country fair. lewi longmire on guitar, adam east on bass and chris munson (vassar clements) on drums. turned into a really good set. i never knew a copy of this existed until a fan handed me one.(and when i see you again i will thank you properly). anyway, we thought it sounded so good that we ought to put it out as a record. Good acoustic rock sound with the acoustic guitar and electric bass, good harmonies, fun set. i like the the fact that the crowds enthusiasm builds during the set and the kid screaming during the yodeling song ... when someone asks me about which recording sounds the most like the set we just played, i suggest this album
