Country that rocks. 12 MP3 Songs COUNTRY: Modern Country, COUNTRY: Americana Show all album songs: Rebecca Owen Songs Details: It feels like getting to take bubble baths and eat candy for a living.! Is Rebecca Owens description of her life as a country artist. And whether she is opening for Grammy Nominees Little Big Town or Lorrie Morgan, or singing the National Anthem to open one of many high profile national sporting events; hosting TV shows, or winning talent competitions across the nation, Rebecca will be tackling every performance with the stamina and work ethic of a born winner, mixed with the joyful exuberance of a child at cherished play. Rebecca finished her senior year at Tulane University, packed up and moved to Albuquerque, New Mexico just one week before Hurricane Katrina devastated the town where she grew up. Having dodged that bullet, she decided to place herself on the firing line of show business by winning the Colgate Country Showdown at three levels, going on to open for Rick Trevino at Sky City. But our girl is no new-comer to the biz. Shes already won a statewide Louisiana talent contest, headlined a concert at the 2007 New Mexico State Fair, and has a list of national television and stage credits that belie her tender age. And as for vocal ability and stage presence? Rebecca sports over a three octave vocal range that can melt hearts with its intimacy and sweet sultry tones. Then in the blink of an eye, she can turn into a wild child who can wail and rock the place like a road house hottie. She has her audiences welling up with tears, rocking in the aisles and on the dance floor, and leaving the rafters ringing with one standing ovation after another. Watch out for Rebecca Owen! This amazing young singer is bound to be the brightest star on todays industry horizon.
