

Mp3 Rich Masters - Elephantesque Lp

[DOWNLOAD HERE](#)

Subliminal house elements work Bedrock's signature style into a rapturous creation of fine progressive-house goodness. 8 MP3 Songs ELECTRONIC: House, ELECTRONIC: Dance Details: Rich Masters is a house producer based in Montreal, Canada. Having been involved in electronic music and parties for more than 10 years, masters has consistently produced a stream of quality progressive house cuts and his vision takes in new wave, disco and funk influences. After being involved in Montreal's afterhour scene @ clubs like Playground and Sona in the mid 90s, masters started to make his own music in June 1999. Turning into electronic music from an early age, Masters used to buy The Cure, Depeche Mode, Masters at Work, Madonna, and New Order records when he was young. Now influenced by DJs like Satoshi Tomiie, Sander Kleinenberg, Steve Lawler and John Digweed, masters will bring you solid floor-ready productions. Masters likes Essential mix, kiss 100, Star wars, Beyonce, golf, U2, universe, Will Smith, iTunes, Hockey, Black eyed peas, sex, trance, Gwen Stefani, money, The Beatles, SOME TRACK DESCRIPTIONS: Bubble State Bubble State is a blistering mid-tempo track acting as breeding grounds for Masters' music. Sharp fading synths carry sophisticated hypnotic elements in an addictive progression. Expect edgy drums and dark atmospheres that will morph together to elevate both your body and soul. System Activation Currently featured on top of several house charts all over the world this superb deep track (8.51 min) as already established itself as a huge favorite. Masters concocted this wild production with chunky elements harking back to the roots of tribal house. He developed the track using some raunchy beats and crazy percussions. Masters drops a solid hypnotic bassline and it is specifically designed for the deep house lovers pounding the floor around 7.00 AM.
