

Mp3 Simple Kool - Retro

[DOWNLOAD HERE](#)

Sounds like the Velvet Underground doing covers of Booker T the MG doing covers of James Brown with Santana and Albert Collins sitting in on a few cuts. Sorta. 14 MP3 Songs BLUES: Jazzy Blues, BLUES: Funky Blues Details: Passionate guitars riffing some jazzy/funky blues over funky 'boards and grooves. Strongly influenced by classic R&B song styles, this cd has perfect instrumentals for freeway driving, background jams at work, or chillin at home. Soulful but not Soul, bluesy but not Blues, jazzy but not Jazz, funky but not Funk, rocking but not Rock...whatever ya call it, it is simple but kool. Simple Kool. ALWAYS ON SALE as part of cdbaby.com's "3 cds for \$15" deal. Try three from Simple Kool's label: cdbaby.com/group/2005niobium
