COUNTRY: Country Folk, POP: Folky Pop Show all album songs: Einstein's Hair Songs Details: Based in folk/country roots, Stephen Shepherds songwriting contains poignant lyrics that discuss his relationship with a myriad of characters. Described as lyric-based folk-country with small town realism, his songs have been likened to John Prine, Bob Dylan, and Arlo Guthrie. His well-crafted lyrics discuss a landscape of characters, ranging from an aging--yet still touring-- guitar picker to Henry Ford symbolically riding shotgun in a teenagers hopped up Mustang. A recent review of his first CD, Einsteins Hair, states his music as Pure MAGIC! Real, old school traditional and folksy worthy of intense study and airplay.

Country Western Corner Magazine. He now writes and publishes music for Circus Girl Records, does guitar work for Heartland Recording Studios and Waterfall Music, and performs a selected number of concert venues each year. He holds a Masters of Fine Arts Degree in Creative Writing. In May 2005, Big Truck was also #6 in Austria. Shepherd has also ranked consistently in the top 100 artists in Europe for radio airplay as registered by Worldwide Mainstream

Artists. His second CD Heartbreak Standard Time was recorded in October December 2004, and the single Ten Tall Women quickly became #20 in Germany. Singer/song writer Shepherd is a registered songwriter with BMI. Shepherd often uses original flat-picking and finger-picking styles that blend folk with country rhythms to form a matrix sound on some of his 30 songs performed in concert. Up-beat country crowd-pleasing songs include 100 Proof Woman, Six Pack Syndrome, Down In The Factory, and Gentle Guitar Pickin, while softer country-folk offerings like Phases of the Moon and Tuesday Come Monday embrace a quieter introspective edge. Inspired by his mother, a piano-teacher, and his father, a die-hard country fan, Shepherd started playing banjo at the age of eight and then guitar at 16. Being born and raised in a rural Michigan town while listening to early country music giants like Johnny Cash and Hank Williams shaped and influenced his music.
