Tired of those same 5 songs on the radio everyday??? Want something a little familiar, yet alotta different??? Want a lot of different things??? Then you'll love us: the perfect blend of hip-hop, rock, r&b, dirty south, and club music. Enjoy ;D 16 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Rhythm Blues Details: Established in May of 2004 Chris Willams and Eric Williams compiled a group which included a former High School Band Vice President, a High School Orchestra Violinist, a Church Choir Vocalist, an Insatiable Old School R&B and Hip Hop Fanatic, and a Video Game Fiend who would find his contribution to music courtesy of his Playstation. This seemly unlikely Hip Hop crew would unite and give birth to the Planet's newest multi-genre record label known today as Sub-Urban Records 2004 LLC. Creative Control: Collectively all members of the unit share a love for not only Hip Hop, but music of all genres as well. This united appreciation for music as an art form would manifest a new style of Hip Hop unimpeded by typical boundaries adhered to by many of todays more prominent artists. Although initially taken lightly at first look, at first listen most critics quickly recognize the creativity, talent, and freedom to go against the grain embedded in the Sub-Urban Sound. Diversity: As an Inherit result of the diverse musical influence of all artists associated with the Sub-Urban Camp they tend to attract a diverse crowd following. In addition to diversity in crowd and venue there is also a diverse range of artists the Sub-Urban camp have worked with, such as The Source's Unsigned hype Hip Hop artists Shelly B and P Batters to the other end of the music spectrum where they have performed in opening for Aol Music Featured Pop artist Tyler Hilton. While the Sub-Urban brand prides itself on providing a self promoted high energy audience it also takes just as much pride in providing a show that has an energy level that will make for a drama free and memorable experience for all. The premier group of Sub-Urban Records 2004 LLC. is "The Last Ones Left". The group members are: MCEO - Hosstyle, Producer - cyntific, MC - Kuttless, MC -

No ?d, and vocalist - Chad Joyner. Their sophomore album "The Arrival" is a diverse mixture of sound and possibility, that promises to make an instant fan of anyone with an open mind. As hard as they have worked to create this album their only hope is that you enjoy it to the same extent. Anyone sick of the same 5 songs on the radio everyday will be very satisfied with this breath of fresh air. From all of us here at Sub-Urban Records 2004 LLC. we hope you enjoy this and future album from us. Take care everyone ;D
