Their sound is so original, it makes this cd a 2004 classic, that's good for all. 15 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Hip Hop Details: HISTORY The Trailer Crew is a two man band. We started working together in '98, out of a trailer. This is how we came up with the name, "Trailer Crew". Mid '99, we got with Infinity West Productions in hopes to dropping our first album. This didn't go to well for us, so we started working on our own. We started working with G.M.O. in '01. With the help of Bandit Loc, we learned how to manage ourselves. Kali (aka Poppadad) is 28, from Watts, Calif. Fade (aka Poppadoppoluos) is 25, from Compton, Calif. After this album, we plan to do solo projects as Ghetto Mercenaries. After which, we plan to do a last Trailer Crew album. EXPERIANCE We've done shows through out Calif. Along with producing tracks for G.M.O. and various artists. OUR SOUND We never aim for a specific sound in our music, we just do what we feel. Lyrically, our main focus is conscious. We try to keep from labeling our sound, because we dont want to limit our abilities. We aim to stay versatile, so we can possibly touch everyone in our culture.
