Carli Jacobs wants revenge. When her plan to bring down the drug lord responsible for her sisters death goes awry, she finds herself thrown into the protective custody of two sexy detectives. Wes Lucas and Ian Gray are determined to keep her safe. But when tension turns into passion, who's going to protect her heart? To My Reader: Have you ever been driven by pure revenge? By searing lust? My heroine Carli throws herself into a world she knows nothing about, bound and determined to have her revenge, only to be taken away from it all by the power of lust. Would you do the same? Would you chose as Carli did?

About the Author: Kristin has always been a reader of romance, but it wasn't until she discovered the erotic romance genre that she finally figured out what had been missing from all the books she'd read before. The heat, the passion, that was it! Her love of reading (any genre, any format... really just anything) led to her taking a chance on writing something of her own, and she's been hooked ever since. Kristin calls the suburbs of Chicago home, where she lives with a hero of her very own and their three great kids. Visit her at kristindaniels.com.
