Brilliant and beautiful executive Krista Aquilon was shocked when the struggling appliance company she'd slaved over for years was sold in a surprise takeover bid. And even more surprising was her new billionaire boss, corporate raider Lance Carrington. Decisive and dominant, ruthless businessman Lance always put his work first. But as impressed as Lance was with Krista's sharp financial mind and innovative ideas, there was another reason he couldn't get his newest employee out of his mind. What sizzled between him and Krista was more tantalizing and complicated than any white-knuckled negotiation. Now it was up to Lance to make sure things weren't strictly business.
