A child who sees grace lived out in front of him at home and at church is much more inclined toward staying committed to a relationship with God into adulthood. In Connecting Church & Home Tim Kimmel gives a vital message to church ministry leaders and parents equally, making this a must-read for all involved in sharing faith with the next generation. Kimmel gives a comprehensive strategy to churches for family ministry as well as a plan for parents seeking to pass their faith to the next generation. He shares valuable tools for the local church to use to build strong family ministry. The Family Ministry Map, created by Kimmel, is explained in details as well as examples of the program put into practice given in this book. He also teaches parents how to translate every part of ministry they are exposed to at church into spiritual training at home.
