Remember when you were a child... Grandma would spend all day in the kitchen, cooking delicious meals and desserts "the old-fashioned way?" Wish you could relive some of those wonderful childhood memories of Grandma's cooking? Grandma didn't even need to read a recipe or use a measuring spoon...she just somehow "knew" what the right amount of ingredients were. That's what makes Grandmas so great! Don't you wish you knew how to cook like that, to smell the pies baking, to taste the delicious cookies again? Well, you can, with... Like Grandma Used to Make A Collection of Over 300 Old-Time Recipes! Brought Artfully into the 21st Century Originally published in the late 1800s, Like Grandma Used to Make is a collection of favorite recipes compiled by women's club members looking to raise money for a trip they wanted to take together. We have painstakingly brought these classic recipes into the 21st century by compiling them into Like Grandma Used to Make, an easy-to-read ebook (short for "electronic book") so that these mouth-watering recipes can be easily enjoyed once again! You can navigate seamlessly through Like Grandma Used to Make and jump from recipe to recipe. Plus, this ebook is printable, so you can have a hard copy to refer to while in the kitchen. Take a Peek at What's Inside! Like Grandma Used to Make consists of over 300 total recipes for all types of meals, including dinners, desserts, sauces, beverages, and everything in between! You'll receive recipes for... Tea, cocoa, and coffee Breads Soups Fish Sauces Meats Sweetbreads Poultry Game Vegetables Eggs Salads Doughnuts and fritters Preserves Pickles and catsup Cheeses Pies Puddings Cakes Cookies Creams, Jellies, and Custards Ice Creams Candies
