

Mp3 Behind The Couch - Hurricane

[DOWNLOAD HERE](#)

"i have a story, i admit..." Lyrically deep alt-rock from Dallas, a la Foo Fighters or Live. 10 MP3 Songs
ROCK: Modern Rock, ROCK: Hard Rock Details: i communicate through music i do not like to talk i am a listener, but i grow weary of hearing others talk i use music to deal with things i can't seem to deal with any other way i know fear intimately, and it has taken me places to which i can never return i have trouble letting go, being transparent i love to write i love to create i love to make music i worry too much about others' opinions i have yet to completely lose myself i'm not always sure what drives me, i just know that i'm driven i'm tired of using drugs to feel ok i know my music will not be understood by everyone meaning is everywhere behind the couch is an alt/rock artist in the Dallas area. Their debut release, "hurricane", went on sale in July 2005. Led by the enigmatic writing of front man David Evans, the disc has thus far been described as "Better Than Ezra meets Pearl Jam meets Radiohead". behind the couch will be playing out in the Dallas area beginning in the Fall of 2005.
