Traditional bluegrass 12 MP3 Songs COUNTRY: Bluegrass Show all album songs: The Country Gentlemen Tribute Songs Details: Bill Yates and friends "The Country Gentlemen Tribute" is a wonderful way to pay homage to a group of influential bluegrass musicians including the great Charlie Waller. The vocals and instrument power on this cd are amazing. Upon hearing this listeners will be taken back to a memory of times past when music was raw talent and pure emotion. Some highlight tracks include "Little Bessie", and "Heaven", a must for the die hard bluegrass fans and also those who are just starting to get into bluegrass to get a taste of the past. More tribute albums should be made just like this, keeping true to the way things were and remembering the times and people who have passed on before us. As long as we have albums with so much emphasis on Charlie Waller and his songs, as this one is, Charlie will never be forgotten and his legend will live on.
