

# Mp3 Children Of The Fog - Don't Quit Your Day Job

[DOWNLOAD HERE](#)

Rugged beats and conscious lyrics, Old School hip-hop at it's best, Remember the hip-hop you grew up on? Well it's back and better than ever. 8 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Trip Hop Details: Children of the Fog is from San Francisco and is comprised of 3 diverse emcees, LSA Truth and Eleven. Collectively they come together to produce a style that is all their own. Production is mostly handled by LSA the lone female member of the crew, with Eleven joining on a few tracks. Songs like Innocence Lost deal with growing up to fast and losing faith in the world around you. Radio Play is directed at mainstream radio stations that don't give it up to real artist. They have been playing locally and have been featured on local cable access show SF Sound, which showcases the best local talent. Don't Quit Your Day Job is their first release and more is to come.
