Davids easy to listen to voice coupled with Mike McAdoo's incredible instrumental abilities and smooth as silk vocal harmonies make them an outstanding team. As young men, David and Mike pleased crowds, primarily in Texas, with their country dance music. During this time, they recorded an album with a band called Ramblin Fever. Among Davids accomplishments, was the privilege to sing on stage with Reba McEntire and to perform on a program that included the Oak Ridge Boys. Shortly afterward David committed his life to the Lord and formed the Living Water Gospel Band, which travelled for about 5 years. Since then David has been content to sing for churches and pursue business opportunities as a Pharmacist and Pharmacy owner. Mike pursued a career as a professional musician. After a career separation, the two recently renewed their friendship and in October 2006 decided to record their first CD together focusing on some of the gospel songs David has begun to write. A second CD will soon follow and it is certainly expected that others will follow as well. The first CD Seek Ye First His Kingdom is a beautiful compilation of 6 David Nall songs plus those same 6 songs as fantastic instrumentals embellished by the Mike McAdoo finger picking style. After listening to Seek Ye First His Kingdom you will be surprised to know that there are only 2 people on this entire CD, most of it being Mike. It has the full instrumentation (without drums) and vocal harmony of a 5 piece group; such as 2-4 part harmony, multiple guitars, bass, banjo, and dobro. David now lives in Justin,

Texas with his wife Janis (sweetheart since high school) and sons Hudson, Austin and Hunter. Mike McAdoo has been a professional musician since his late teens and is gifted with musical abilities that very few possess. Early in his career, he spent several years on the road, followed by 10 years and over 3,500 concerts in Branson, MO with such acts as Mel Tillis, Shoji Tobuchi and the Osmond Family. Wayne Osmond has been quoted as saying that Mike is without question the best guitarist the Osmonds have ever worked with. As a studio musician Mike has recorded with over 100 internationally-known artists as well as having the distinction of being recognized 3 times as the best lead guitarist in Branson, and also being inducted into the Branson Music Hall of Fame. As a songwriter, Mikes own songs have been recorded by other artists. As a producer, he has produced albums for other artists, as well as his own material. He currently has personal instrumental CDs available at CD Baby "Guitar Texas" and "Out of the Shadows", has done a gospel album with friends (On a Hill), and has several fantastic guitar teaching videos from beginner to advanced available for purchase. During his time in Branson, Mike renewed his relationship with the Lord that had begun at an early age. He now lives in Wichita Falls, Texas with his wife Kim and daughter Mikayla.
