An eclectic mix of classic pop rock and acoustic guitar inspired tracks. 12 MP3 Songs in this album (43:09) ! Related styles: POP: Pop/Rock, POP: Beatles-pop Details: All the songs on this CD were written between December 2006 and February 2008 with the exception of Somewhere On An Island, which I started in 2004. Where Does the Love Go was the first song, and it came about because I was attempting to write a Christmas song. You might say I got a little sidetracked. However, there is a bonus track after the last cut on the CD called Its Xmas which was written around a loop I borrowed from Where Does the Love Go. So, I got to write that Xmas song after all. Ive never written this many songs in a 14 month period before. As a matter of fact, I dont think I wrote 11 songs in the decade preceding this output.. For myself and perhaps for other songwriters, it was an affirmation that the creative process may remain dormant for a time, but it is always there waiting for an avenue of expression if youre willing to take the journey. Thanks for listening.
