Roots rock that combines delta blues, New Orleans funk and Memphis Soul. 10 MP3 Songs

BLUES: Delta Style, BLUES: Funky Blues Details: Delta Roux features the creative talents of slide guitarist Harry Bodine and vocalist Mike Milligan. These two Austin musicians have combined the roots sound of Delta Blues, Memphis Soul and New Orleans funk. *offBEAT New Orleans News Magazine April Issue* Cristina Diettinger Well, they're from Austin, but you would think they were from New Orleans with all the soul they have. Steel and slide guitar by Harry Bodine meld perfectly with Mike Milligan's bluesy vocals, and what results is a mature sound that says they've been around the block a few times. The lyrics, too, emit pangs of a musician's jadedness on certain tracks like, "Can't Live Without It." ("Another night/Another club/ Another line across my face"). The concepts are simple but sincere, the playing not fancy but tight. This is a good record to play when you hang out by the levee. "Swampy blues tunes that have soul and balls.....Texas Beat Magazine "Delta Roux plays blues with a difference, a musical gumbo that fuses delta blues, R&B, and New Orleans funk. Stinging slide guitar and passionate vocals create a sound that's hard to resist.".....San Antonio Express "One of the best blues rock CDs of 2000".....Pop Poster (Germany) "an excellent debut, five star rating".....InMusic Magazine(Germany)
